## Palencia Wine Company

The Palencia family comes from humble beginnings and a strong foundation with “love and respect for the land,” born in Mexico and raised surrounded by vineyards in Prosser, WA. Victor Palencia, founder and winemaker, experienced firsthand the love for crafting and growing premium grapes, in Prosser. Following in his father’s footsteps, he learned viticulture with all the important nuances that impact quality and flavor of wine. The results of this are superb wines of distinction and varietal expression. “Palencia wines dig deep.”
